

NON-COMMERCIAL MOVEMENTS OF DOGS FROM EU MEMBER STATES INTO SLOVENIA

»**Non-commercial movement**« means any movement which does not have as its aim either the sale of or the transfer of ownership of a dog. The maximum number of dogs accompanying its owner or an authorised person during non-commercial movement is 5 animals. **Derogation from the maximum number of animals (5)** shall be **authorised** only under specific conditions.

»**Owner**« means a natural person indicated as the owner in the identification document.

»**Authorised person**« means any natural person who has authorisation in writing from the owner to carry out the non-commercial movement of the pet animal on behalf of the owner.

Non-commercial movement into Slovenia from the other EU Member States

General conditions:

- **Not more than 5 animals** per owner or authorised person;
- **EU Pet passport**;
- **Transponder** or **clearly readable tattoo**, which had been tattooed prior to 3 July 2011;
- **Valid anti-rabies vaccination.**

Derogation from the maximum number of animals (5) shall be **authorised** where:

- Non-commercial movement of pet animals is for the purpose of **participating in competitions, exhibitions or sporting events or in training for such events**;
- Owner or authorised person submits **written evidence** that the pet animals are registered either to attend such an event, or with an association organising such events;
- Pet animals are **more than 6 months old**.

At non-commercial movement of pet animals into Slovenia from the other EU Member States, the Slovenian Competent Authority may conduct the verification of documents and identity of pet animals involved. **On request** of the Authority competent for verification, **the owner or authorised person** shall present the identification document of the pet animal in question, thus enabling verifications relevant to the animal.

Insofar as the conditions for non-commercial movement are not met, the rules for commercial movements apply. The conditions are laid down in the Directive 92/65: in addition to above mentioned requirements the animal must be accompanied by a veterinary certificate as defined in the part 1 of Annex E of Directive 92/65 (the certificate is also part of the TRACES system). The veterinary certificate must be issued by an official veterinarian in the EU member state of origin. The official veterinarian shall send the certificate also via TRACES system.
